Sehr geehrte Herren **Bundesminister der Justiz Dr Buschmann, Oberstaatsanwältin Karl, Staatsanwalt Oswald, Chancellor Scholz, Permanent Representative Clauss, und Ambassador Kotthaus !**

Please forgive that I do not write this letter in imperfect German - Bitte verzeihen Sie, dass ich diesen Brief nicht in unvollkommenem Deutsch schreibe.

Before a European Court of Justice filing against **neo-Nazi hate crimes by Germans in European Commission offices, attempting to murder a Polish Jew** by illegal blockage of his EU Citizen health care access rights, I ask German Public Prosecutors, German Justice Minister Dr Buschmann, and the government of German Chancellor Olaf Scholz, to address these matters, which are also putting at risk the future of the German nation.

The difficulty for all of you, is not just the evidence you have in her own words, giving grounds for prompt criminal conviction of racist, neo-Nazi German EU Commission staffer Monika Mosshammer, but the fact that **these crimes also involve President of the EU Commission Ursula von der Leyen herself**, arrogantly giving the order to try to murder a Polish Jew, in revenge for this Polish citizen being a witness to Von der Leyen wrongdoing.

These crimes by neo-Nazi staff members involve not just the Polish-Jewish citizen whom Mosshammer and Von der Leyen seek to murder, but also many other victims, and not only because **Von der Leyen has encouraged a series of criminal acts in Belgium** - including attacks on more Jews - as part of a **'corruption favour exchange' due to how Belgian police and prosecutors have a role regarding crimes committed in European Commission offices** by Von der Leyen and friends. This is explained below. There is also the issue of Von der Leyen aggressively promoting war and the deaths of tens of thousands, in order to distract from her own wrongdoing as a leading EU political criminal.

**EU Law and European Court of Justice Court Order continually violated by EU Commission neo-Nazi German Mosshammer and Von der Leyen**, and by Belgian officials: So that you can understand the depth of crime here by EU Commission Germans and their Belgian partners, it is important to know the crystal-clear EU Law and Court Order which they are violating; you can quickly verify this with any University Law Faculty in Germany. The Von der Leyen neo-Nazi crime group continually hides and tells lies about this clear EU Law.

**Von der Leyen has invited Belgium to operate a bribery-extortion scheme against EU citizens, especially 'rich Jews'** and others, demanding **bribes for their EU Citizen rights** to Health Care access, rights embodied in **EU Court Order C-535-19 of 15 July 2021**, an Order violated by Von der Leyen for her friends seeking bribes. As this EU Court Order clearly says, every EU Citizen has absolute right to be enrolled in the National Health system where they are resident, if no other EU system (such as EU Institution staff have) covers them. **This right is absolute**, an intrinsic part of EU Treaty Freedom of Movement, and cannot be denied because someone does not have a job, is a pensioner, and so forth:

COURT OF JUSTICE OF THE EU / SOCIAL

## Court of Justice confirms economically inactive EU citizens have right to be affiliated to health insurance system of another Member State

Brussels, 16/07/2021 (Agence Europe)

Economically inactive Union citizens residing in a Member State other than the one from which they originate are entitled to be affiliated to the public health insurance system of the host Member State, the European Court of Justice confirmed, sitting as a Grand Chamber, in a judgment (Case C-535/19) delivered on Thursday 15 July. However, it states that the host State may provide that such membership is not free of charge in order to avoid the persons concerned becoming an unreasonable...

It was my misfortune to become a **victim of bribe extortion by corrupt Belgian officials encouraged by the criminal Von der Leyen**, who took over the EU Commission in 2019, and then found her perfect criminal partner in the De Croo Belgian government taking over in 2020. At EU offices, a Belgian in the same political party group as Belgian's Premier De Croo and Belgian Justice Minister Van Quickenborne - **EU Commissioner for Justice Didier Reynders is a direct link between Von der Leyen and criminals engaged in extortion against Jews, Poles and other EU citizens** in Belgium.

A key person in this Belgian government is its notorious Health Minister Frank Vandenbroucke, infamous as a public bribery gangster in the 1990s, and once again leading a criminal bribery scheme, against victims such as myself. Frank Vandenbroucke is a 'friend of Pfizer' and thus in effect a 'business partner' of **Ursula von der Leyen and her husband, Heiko von der Leyen, whom Ursula von der Leyen has been trying to enrich via abuse of her ability to control billions in EU Commission Covid-19 vaccine funds:**

 - Negotiating texts have gone 'missing'

Ursula's husband of many years, Heiko von der Leyen, is now Medical Director of Orgenesis Inc a 'Cell & Gene Therapy' enterprise announcing, per LabBulletin.com

Ursula von der Leyen now URGES that EU nations should consider MANDATORY VAX

FORCING millions to be JABBED with products of the type bringing RICHES to her husband

Conflict of interest at the top of the EU?

**Ursula von der Leyen has proven herself eager to support any and all crimes by Frank Vandembroucke and Belgian officials**, no matter how racist, criminal, neo-Nazi, disgusting, and even murderous. This is founded in clear, obsessive criminal strategy by Von der Leyen.

As is seen in the 'Qatargate' prosecutions of alleged bribery of Members of the European Parliament etc, the police and prosecutors involved in actions regarding crime in EU offices in Belgium, are themselves Belgian ... under the control of Belgium's corrupt government and ministers. **By 'purchasing' the services of Belgian government ministers, assisting them in violations of EU Law, neo-Nazi crimes, bribery and extortion ... Von der Leyen makes it much less likely that she will be prosecuted for perhaps defrauding millions out of EU taxpayers** for her husband's vaccine business, via a chain of subcontracts from Pfizer and similar ... perhaps millions flowing directly after von der Leyen leaves her EU office in 2024.

(In case you do not know **what many governments know** - the 'Qatargate' prosecutions were not undertaken because 'Belgians care about the law', that is a joke. 'Qatargate' was a NATO-fuelled operation to discredit and undermine the many dissident voices in the EU Parliament, who were perceived as a threat to the hegemony of NATO and certain international actors. Particular people indicted were less the target than the Parliament itself, its 'EU dissidents' winning media attention. Ironically, Qatargate shifts even more power to **Ursula von der Leyen, more corrupt than anyone in Qatargate.**)

**The Von-der-Leyen-backed extortion scheme against a Polish Jew, demanding bribes for his clear EU Citizen Health Care Access rights.** Little did I know that in early 2021, I had become a target of the most powerful criminal racist mafia in the entire European Union, fully supported by **EU Commission Germans who are 'Fourth Reich' neo-Nazis.**

Apparently I was targeted for this scheme in the belief I was a 'rich Jew' - 'You know all those Jews have money!' - the belief that I was wealthy, encouraged by my street address amidst some of Brussels' wealthiest people. Tho actually I live in a tiny, old apartment behind a shop, a simple pensioner, unable to pay the bribes Belgian officials requested, even if I wished to do so. Belgian bribe-seeking officials remained certain, however, that I have 'hidden Jew money'.

The crime operations of the Belgian bribery-extortion mafia, from the Belgian side, are detailed in this EU dossier with EU Commissioner for Rule of Law Věra Jourová (who has been banned and blocked by Von der Leyen from doing anything to assist me):

<https://dr-les-sachs.eu/belgian-corruption/jourova-dossier-belgium-rule-of-law-violations.pdf>

In their **quest for bribes from EU citizens - supported by Von der Leyen** - the Belgians at first use tactics of delay and confusion, your dossier endlessly postponed for mysterious and then even stupid and crazy reasons. Finally - knowing they are supported by Von der Leyen and Reynders at the EU Commission - they become very brazen and ask for bribes directly in writing by e-mail, the civil servants telling you that you need to hire them as 'independent consultants'. **Police and prosecutors in Belgium know these crimes, but are blocked from prosecuting, the Belgian De Croo regime destroying the police anti-corruption budget.**

Regarding EU Law regarding EU Citizen Rights such as EU Court Order C-535/19, the Belgians do their best to hide it and obscure it, and flat-out just refuse to answer questions about it.

Finally, when pressed, the bribe-seeking Belgian officials write the lie that 'EU Law and EU Court Orders are doubtful and uncertain, and we must study them for many years before we understand them', making it clear that there is in fact 'no study' of anything, and they won't respect EU Citizen Rights without bribes being paid.

As well as **Von der Leyen supporting these bribery games**, Belgian officials have a back-up bribery source via Belgian lawyers, and slow Belgian courts where cases can linger for 20 years. With great glee, Belgian officials - using EU Covid-19 funds! - hire racist and anti-Semitic lawyers to delay EU Citizen Health Access rights for years, the Belgian officials apparently receiving bribery kickbacks from the corrupt lawyers who have legal contracts to harass and deny rights to EU citizens. It is quite possible I will be dead before Belgian legal proceedings about my EU Citizen rights will ever be concluded.

It is noteworthy that in my struggle against the Von-der-Leyen-and-Belgian mafia, one bright spot was the good-hearted King Filip / Philippe of the Belgians, intervening on my behalf, the King asking the De Croo government to please stop abusing a Polish Jew and respect his EU Citizen Rights. But the racist De Croo government and its mafia lawyers, spit in the face of Belgium's brave monarch.

Having received a e-mails fully convicting Belgian officials of crystal-clear violations of EU Law and European Court of Justice Court Order, I then turned to the European Commission to fulfil its obligations of ensuring that EU Citizens have their rights respected.

But I came to learn that **control of the EU Commission was now in the hands of neo-Nazi Germans including Von der Leyen herself**, who has developed enough personal hate for me to demand that other EU Commission staff cooperate with her in trying to murder me, by seeing that my EU Citizen Health Care Access rights, are permanently denied.

**Ways that the EU's Monika Mosshammer and Ursula von der Leyen are Neo-Nazi.** It is helpful to understand the multiple senses in which EU staffer Mosshammer and EU Commission chief Von der Leyen are authentically neo-Nazi, tho they would superficially deny this. This is not to say they have swastika-hakenkreuz flags in their home - tho that would be trivial compared to what they actually do.

**Mosshammer and Von der Leyen are neo-Nazis by multiple facts of Nazi fetish behaviour, savouring how they do things 'just like Nazis of the 1930s-40s,'** as one can see:

- They **associate all their crime and lying with their German-ness**, as in the attitude of Ursula von der Leyen, 'Who is this Jew who is daring to criticise me? I am powerful German, not some 2nd class Polish or Hungarian or Italian'
- They feel superior to, and abuse, '**2nd class' EU citizen 'untermenschen'**, a racial hierarchy in which north-west Europeans are superior
- They take raw pleasure in power and its abuse
- They love lying, spitting lies in victims' faces, enrolling others in their crimes
- They take **pleasure in lawlessness, above-all-law psychopathy** which SS officers had
- They **love crime to the point of killing**, as in the **Von der Leyen Führerin-Befehl that a Polish Jew be denied his Health Care Rights**, possibly resulting in my death soon
- They take pleasure in theft and crime of others' assets and rights

- They take **pleasure in the abuse of a Jew perhaps more than any other** power game
- They engage in ruthless, hypocritical imperialist domination of other European people
- They abuse **EU Institutions as a 'Fourth Reich' vehicle** whilst claiming 'democracy'

Particular illegal actions to deny me my EU Citizen Rights, were done in writing by **Von der Leyen's friend and German 'sister', Monika Mosshammer, a vicious Nazi-fetish psychopath** who is top assistant to corrupt Belgian EU Commissioner for Justice Didier Reynders. Mosshammer is quite arrogant, spitting stupid lies into my face, feeling confident in the support of Von der Leyen and all the EU Institution machinery, tho even amidst her lies, Mosshammer feared to discuss EU Court Order C-535/19 and the proof she and the EU have of that Order's violation. **Mosshammer's pleasure in denying fundamental human rights to a Polish Jew, her pleasure in seeking to murder a Polish Jew, are palpable.** The Mosshammer crimes against me are described in this document here, with links to the three official letters written by Mosshammer herself, fully proving Mosshammer is a criminal violating EU law and abusing her Polish Jewish victim:

<https://dr-les-sachs.eu/belgian-corruption/reynders-mosshammer-ethics-violations-eu-secretariat.pdf>

Apparently, **Von der Leyen has ordered that no honest EU Commissioner or EU staff member be allowed to protect my rights** and assist me. Von der Leyen was apparently furious at the dossier I filed with EU Rule of Law Commissioner Jourová back in October, which exposed accurately that the the worst EU country violator of EU Law, is Belgium.

With that report - written unknowing that **Von der Leyen herself is encouraging all forms of corruption and violating of EU law in Belgium** - I was in fact exposing that the actions of the two criminals, Von der Leyen and EU Commissioner Reynders, in their 'Rule of Law' forays against Poland and Hungary, which are carried out in complete bad faith.

The 'Rule of Law' quibbling about quite relatively minor issues in Poland and Hungary, are now proven to be crass domination games, against Eastern EU cultures which are disliked by Von-der-Leyen-affiliated forces. A total disgrace, when the worst violators of EU law in the European Union include not only Belgium, but the **two EU Commission criminals Ursula von der Leyen and Didier Reynders ... shocking criminal hypocrites** who yet dare to talk to others about the 'Rule of Law'.

**Terrorism and corruption across EU Institutions; domination by 'The Germans'**. I have known EU Commission staff members for many years, who have often expressed the truism that 'The Germans run everything, or nearly everything, at the EU'.

However, under the shockingly corrupt Von der Leyen, the EU Commission has become a hellscape, with staff terrorised and intimidated. The honest EU staff look forward very much to the disgusting and criminal Von der Leyen being gone. Von der Leyen and her criminal network, trade on this long-established theme that 'the Germans are in charge', as if the Olaf Scholz government is fully backing all the crimes they are committing; this needs to stop.

And sadly there are **some people at the EU who have the ethics of Third Reich death camp guards**. "My career is most important to me. If Von der Leyen says, 'Help me murder that Jew', I will help murder the Jew. I want my big EU civil servant pension!"

**The EU Institution ethics machinery and prosecutors all fail versus Von der Leyen**

**corruption.** Another sad discovery in the last few months, is that intimidation by Von der Leyen and 'the Germans' has destroyed all the internal EU Institution ethics machinery. All of them feel that 'It's better for my career to go along with Von der Leyen, I don't care if she's criminal, it's dangerous to fight the Germans.'

- Particularly bad is the **corrupt EU Ombudsman, where a corrupt Swedish woman, Tina Nilsson, fully joined neo-Nazi Mosshammer in the crime scheme.** Nilsson wrote lies about EU Law and about the facts of the case, and like Mosshammer completely refused to discuss EU Court Order C-535/19 and the proof that Order was violated.
- The EU Ethics Secretariat is an insulting joke, sending me a smug, taunting psychopathic note evading the issues and referring the file back to corrupt Commissioner Reynders.
- OLAF Director-General Ville Itälä has the attitude, 'I'm just a little Finnish man, I cannot fight Von der Leyen and the Germans', and sends anonymous e-mails claiming he doesn't have jurisdiction.
- EPPO Chief Prosecutor Laura Codruța Kövesi has a similar attitude, 'I'm just a little Romanian woman, I cannot fight Von der Leyen and the Germans', and tries to say nothing.
- EU Council President Charles Michel - a close political partner of both EU Commissioner Reynders and the current criminally corrupt Belgian government - of course is on board with the whole criminal scheme himself.

**Larger danger to Germany; how Von der Leyen may help kill tens of thousands.** There is not only those of us whom you see as direct victims of these German citizen neo-Nazi criminals at the EU Commission, but also perhaps, unnecessary victims of Von der Leyen aggressively pushing the Ukraine conflict in order to distract from her own personal crimes.

As shown in the attacks she directs against myself, Von der Leyen has no hesitation about seeking the deaths of Eastern European peoples, and she seems willing to help kill tens of thousands so as to try and appear 'virtuous'.

There is also the issue of Von der Leyen being under possible foreign blackmail, given her crimes are well-known to multiple governments. You in Germany may come to have a scenario where Scholz and Macron are close to ending the Ukraine conflict ... but they are sabotaged by Von der Leyen, either under blackmail by foreign interests, or just eager to have tens of thousands die to distract from her own crimes. A woman like Von der Leyen who involves herself in trying to murder Polish Jews, is also someone who may try to help destroy the German and EU economies, if that is what her blackmailers wish her to do.

**My mother and I, Jews in Germany, 1940s to now.** My mother survived the war by hiding her Jewish heritage, tho she suffered as slave labour under the Third Reich, and also being raped by Nazi soldiers. Much of her family were killed by Nazi allies. The EU's neo-Nazi Monika Mosshammer is aware of this, and takes great perverse pleasure in seeking to murder a Polish Jew whose mother was raped by Nazi soldiers.

My mother also experienced kindness from Germans after the war was over, and did not hate the Germans. As a young man I once lived in Germany for five weeks, pondering history, but also experiencing the kindness and decency of many Germans.

So now I am in some shock with neo-Nazi Germans at the EU Commission trying to murder me, telling huge lies to delay of my crystal-clear EU Citizen Health Care Access rights for as long as I live ... Germans today seeking to murder me, like they threatened to murder my mother as they raped her.

**German Public Prosecutors and Justice Minister**, as you can see, **Monika Mosshammer at the EU Commission, is seeking to continue Jew-murder crimes of the 1940s Third Reich**, in her lies and criminal assault on a Polish Jew whose mother survived the earlier Nazis.

Therefore **I ask you to bring the full force of law against a German neo-Nazi who is seeking, today, to try to murder a Polish citizen Jew**, Mosshammer acting with the full backing and approval of the criminal Ursula von der Leyen. You have the proof documents now in your hands to convict Mosshammer, via the link above. I ask you as well to bring full criminal enquiry against every German citizen, including Ursula von der Leyen herself, who has aided and encouraged Mosshammer.

**German Federal Chancellor Scholz**, I ask you to **fully confront Ursula von der Leyen at the EU Commission, about her involvement in crimes threatening to murder a Polish Jew** and deny him his rights, and all her crimes of corruption at the European Commission including those with her husband's business. And I ask to you to confront, how her own role in the many tens of thousands of dead in Ukraine, may be partly motivated by her wish to distract from her own criminality - and her possible blackmail by foreign forces, who may seek either more death and killing, or more economic destruction for Germany.

And Chancellor Scholz, I ask you to please work with other EU leaders, about ending this 'Germans run everything in the EU' idea that has fuelled the murderous corruption of Ursula von der Leyen. Clearly, major reforms of the EU Institutions are in order, and **ideally Ursula von der Leyen should resign immediately, as a threat to human lives and the European future**.

Thank you for reading this, and **hopefully you will act to help end the murderous menace to my life by neo-Nazi Germans at the EU**. Of course I remain available for all information, documentation and testimony. Here is a report at the Transparency NGO on these matters which you may also find helpful as a summary:
